

Beginners Stained Glass Class

Supplies to bring to first class:

ruler with good edge (can be purchased here)

fine felt tip marker

small square

masking tape

rubber gloves

utility knife

glass cutter (may purchase at first class if you don't already have one)

(All purchases made while taking the class will be 10% off the marked price)

Running pliers, grozing pliers, soldering Irons and grinders for the beginner's class are supplied

Class 1+2:

Will learn to cut glass, foil and solder

Will do a practice piece with clear glass (clear glass supplies for practice piece.)

Class 3 to 6:

Will each do a simple project of your choice with stained glass.

(Material for this project must be purchased. Foil solder and glass)

Classes run for 6 weeks, one night a week.

We do have different classes usually 2 or 3 nights a week so If you can't come the night you are Assigned if you let me know a head we can probably let you make up the class on one of the other nights.

Missed classes cannot be extended to the next set of sessions.
